On Campus Day	16/Mar/2024	09:00-15:00	Book	Places available

Our Offer Holder Days

We are happy to invite you to get to know your subject, our friendly staff and students and your future classmates at our invite-only events.

To give you a real experience of studying with us, all our in-person events will include lectures and seminars from your subject's staff and you will be able to meet our students. You will also be able to talk to our support services (Admissions, Accommodation, Disability Advisory Service, Careers, Study Abroad, Student Funding, the Students' Union and more).

To find out more about Offer Holder Days and everything they have to offer, visit me@reading applicant.

If you have any **accessibility requirements or additional needs** (for example if you are a wheelchair user, need a BSL interpreter or are seeking a quieter experience), please email us directly on: offerholderdays@reading.ac.uk to let us know.

Once you have booked on to an Offer Holder Day, you will receive an email to confirm your choice. We will then email you the week before the event with your next steps.

If you are unable to visit in person, you will be able explore some of what we have to offer during our **Virtual Discovery Week** in April.

Offer Holder Days and Open Days general information

Pre-entry travel bursaries
