SHAPE YOUR FUTURE

Starting to explore your options?
Ready to prepare for the selection process?

Wherever you are in your thinking, we can help now and following graduation.

TAKE ACTION

EXPLORE your options, GROW your experience and COMPETE in the graduate labour market.

Don’t delay, begin your career planning today with our support:

• Benefit from confidential and impartial guidance appointments with a Careers Consultant. Book via MyJobsOnline to meet us in person, via Skype, or telephone if you aren’t on campus and need to talk.
• Read, watch and practise your way to career success with our bespoke online materials.
• Personalise your MyJobsOnline portal to receive job alerts to match your preference, reserve advice appointments to fit your schedule, and view and book your place at the latest careers workshops and employer events across campus.
• Connect with us on social media to receive updates – the latest career trends, campus news, employer insights and local and national recruitment updates. Connect to your channel of choice to avoid missing out.
GET EXPERIENCE

The benefits of quality work experience are LIMITLESS and the wide range of initiatives available mean everyone has the opportunity to gain the experience, and skills employers are looking for...

DO A PLACEMENT

Over 2500 of you undertake a placement as part of your course every year, supported by Careers professionals who provide assistance at every stage.

Ask us about placements@reading.ac.uk

DO AN INTERNSHIP

The Reading Internship Scheme (RIS) provides the opportunity to undertake a 6-12 week summer placement at a small or medium sized business, offering valuable work experience to enhance your future prospects.

Ask us about ris@reading.ac.uk

UNDERTAKE PAID RESEARCH

The Undergraduate Research Opportunities Programme (UROP) enables penultimate year students to work on a 6 week summer research project alongside University staff. Open to all disciplines, the programme helps strengthen the link between teaching and research.

Ask us about urop@reading.ac.uk

REGISTER FOR RED

The Reading Experience and Development (RED) Award can help you make the most of extra-curricular activities and experiences on offer outside of the academic programme and get recognition for them.

Ask us about red@reading.ac.uk

THRIVE WITH MENTORING

During your penultimate year of study you will have the opportunity to select a mentor from the world of work who can support you in your first steps toward a graduate career.

Ask us about mentoring@reading.ac.uk

SECURE A PART-TIME JOB

If you are looking to earn some money and develop skills whilst studying, then the Job Shop is the place for you! View the latest roles on MyJobsOnline.
